

ahi

freestyle r/c sloper

UNLEASH YOUR SLOPESTYLE- Inspired by years of "in your face" flying with our Weasel and Alula gliders, the Ahi takes your slope expression to the next level of performance. The Ahi reinvents freestyle aerobatics with a totally fresh design. Pump it, roll it, spin it, snap it, tumble it, embrace the potential. The canvas has never been bigger- let your creative paint fly!

DFAH100 \$130⁰⁰

arg[™]
almost ready to glide

Wingspan	1200mm (47.2 in)
Wing Area	20.52 dm ² (318 in ²)
Weight	340-425 gm (12-15 oz)
Wing Loading	16.6-20.7 gm/dm ² (5.4-6.8 oz/ft ²)
Wind Speed	4-9 m/s (8-20 mph)
Controls	4-6 Channels
Skill Level	Accomplished Weaseler
Assembly	Under an hour
Flight Style	Freestyle slope shredder

KIT FEATURES

- **"ARG" Almost Ready to Glide**- interlocking design ensures quick assembly
- **Wide flight envelope** for smooth and predictable gliding or inspired aerobatics
- **Highly efficient and nimble** design makes the most out of light wind conditions
- **Precision-molded EPO foam** and composite parts ensure a lightweight, durable airframe
- **Carbon fiber canopy** is held magnetically for easy access to radio compartment
- **Laser-cut plywood servo tray** and battery hold-down
- **Ballast compartment** - adapt to varying wind conditions
- **Integrated landing skid** for those rougher touch downs

The Ahi's purposeful layout and shape make for a fully capable aerobatic sloper with a groovy pattern-like feel and precision, allowing you to efficiently connect maneuvers in less lift. Carefully proportioned and balanced control surfaces provide predictable, yet aggressive control authority.

dream-flight®

WIND-POWERED FUN SINCE 1996

REQUIRES:

6 channel transmitter with flaperon mixing and dual rates/EPA.
6 channel micro receiver, 4 durable micro servos, rechargeable battery, small tools, Blendederm tape or adhesive.

ahi[™]

freestyle r/c sloper

Get out and glide

We have been creating forward-thinking RC gliders since 1996. Our goal is to develop unique aircraft that are pure fun to fly. Our passion is designing quality, affordable R/C aircraft that get more people outdoors to enjoy the wind and sun!

The Ahi's super clean lines, efficient airfoil, and low weight produce a glider that is unbound in performance, yet highly accessible to any would-be slope shredder.
